## Adlai Again Urges T-H Law Repeal; Has Phone Talk With Sen. Nixon

## EVENSON IS HEARD AT THE F.L. MEETING

New York (AP)—Gov. Adlai E. Stevenson, addressing the American Federation of Labor convention repeated today that the Taft-Hartley Act should be repealed, he laid down a set of proposals for strengthening the Department of Labor.

Stevenson blasted Republicanism as he advocated compulsory arbitration of labor disputes.

Stevenson last Wednesday told AFL convention that a major reason for his views was the labor and Stevenson's, was Stevenson favored compulsory arbitration of labor disputes.

Stevenson told the convention that he was not a Democrat, but a "labor man" and that he was not a Republican, but a "labor man."

Stevenson said he was not a Democrat, but a "labor man" and that he was not a Republican, but a "labor man."

## Nixon to Broadcast Report on Finances

New York (AP)—Sen. Richard Nixon today ordered a half hour of broadcast time tomorrow night, starting at 8:30 EST, on two radio networks and one television network for his report to the voters on his finances.

The telecast will be over NBC and a simultaneous radio broadcast over CBS and Mutual.

The total cost is expected to run in excess of \$55,000 but the exact figure would be difficult to determine because of rebates to be made to commercial sponsors whose time periods are being taken over and uncertainties over how many stations will carry the speech.

## EISENHOWER RUNNING-MATE WILL EXPLAIN

Aboard Eisenhower Train (AP)—The pendulum appeared swinging toward Sen. Richard M. Nixon today after Gen. Dwight D. Eisenhower talked to his vice presidential running-mate by telephone last night.

The Republican Presidential nominee, off for a whistle-stop tour across Southern Illinois, Indiana, Kentucky and into Cincinnati tonight, called Nixon in Portland, Ore., about midnight from St. Louis.

While the results of their conversation were kept secret by Eisenhower's aides, there were some indications that the general may decide to ride out the political furor caused by Nixon's acceptance of an expense fund beyond his Senate salary and allowances.

At Portland, Nixon gave reporters a statement early today indicating strongly he would remain on the Republican ticket. He said he planned to present his case in a nationwide television and radio broadcast either Tuesday or Wednesday night.

Nixon said he had so informed Eisenhower in their telephone conversation and the general agreed that was the proper way to handle the situation.

The senator said that during the half hour broadcast he would "present to the American people my entire personal financial history from the time I entered political life."

Nixon had planned to make public the financial data today but now will wait until the broadcast tomorrow night.

Press Secretary James Hagerty announced completion of the telephone call put in by Eisenhower, the first direct communication between the two Republican candidates since the presidential nominee was advised last Friday of the disclosures concerning the expense fund.

## Aliquippa Soldier Sentenced to Life For Killing Woman

Bamberg, Germany (AP)—Pvt. Edward L. Houser of Aliquippa, Pa., was convicted Saturday of killing a German woman and was sentenced to life imprisonment.

The verdict by a U. S. Army court martial is subject to review. The court of seven officers decided after two hours deliberation the killing was not premeditated.

Houser, a 26-year-old negro, originally was charged with premeditated murder, which could have carried the death penalty.

The victim was Mrs. Theresa Hauke, 42, divorced mother of two children. She was stabbed to death on a Bamberg street June 10.

Houser said in a written statement he and another negro soldier were with the German woman when a dispute over money developed and she hit Houser's companion in the face with her underpants.

His companion cried "give it to her" and "suddenly I felt a knife in my hand and stabbed her with it," Houser's statement said. "Then I didn't feel or see anything more."

Houser was beginning a five-year sentence for forgery of documents when army agents investigating the killing linked him with the case. Houser's attorney tried unsuccessfully to bar his written statement with the claim it was obtained by illegal methods.

## FIVE FATALITIES

Pittsburgh (AP)—Accidents killed five Western Pennsylvanians the weekend.

## Reference Poll in Allegheny Co. Shows Many Undecided

Pittsburgh (AP)—A presidential reference poll shows undecided voters still can determine which Allegheny County goes in the 4 election, the Pittsburgh Gazette said today.

The poll sampled opinions in the half of September of all voters, members of 1,600 representative families in 28 county areas.

The 3,734 voters surveyed, per cent have not made up minds. The Post-Gazette said if cast in a bloc for either Democrat Dwight D. Eisenhower or Republican Adlai Stevenson, voters would easily swing the election to the chosen candidate.

Among voters who have made a choice, Eisenhower leads almost 2 to 1. The percentages are Eisenhower 48, Stevenson 25%. The percentage of undecided voters is the same as in a poll made last August by Guide-Post.

1948 President Truman got 53 votes in Allegheny County. Republican Thomas Dewey got 253,272.

## REGISTRATION TONIGHT

Registration for evening school may be made at the Warren High School tonight at 7 o'clock, according to superintendent of schools Carl E. Whipple, who also reports that a number of inquiries have been received, particularly in regard to typing, art, and woodworking. Floyd W. Bathurst, principal of the high school, and Supt. Whipple will meet those who are interested in any subject in the auditorium at the registration time tonight.

## New All-Time High Voter Registration Appears Certain in State for Election

Harrisburg (AP)—A new all-time high voter registration in Pennsylvania, well above five million, appeared certain today for the November election as candidates got into another heavy week of campaigning.

Reports from 15 of the state's 67 counties, including the metropolitan areas of Philadelphia and Pittsburgh, show an increased registration of more than 330,000 voters from the April primary.

The commonwealth's previous all-time high registration was 5,014,710 in 1940. The registration for the April primary was 4,770,383, needing 244,327 to set a new record.

The increased registration of 331,426 reported from 15 counties took the total to 5,101,809, with 52 other counties still to report their new totals, resulting from intensive registration drives.

Each of the 15 counties reporting showed an increased registration, with big gains made both in Philadelphia and Allegheny Counties.

Philadelphia reported an unofficial registration of 1,152,000, a gain of 155,173 from the April primary. Allegheny County, which includes Pittsburgh, reported an unofficial total of 885,452, a gain of 121,037. Both figures are subject to revision by official checks now underway in the two metropolitan areas.

Other counties, which have completed check of their registration figures, reported these official totals:

Bedford, 19,200; Bradford, 25,587; Bucks, 74,101; Carbon, 28,843; Columbia, 26,558; Dauphin, 106,436; Mifflin, 17,249; Pike, 6,088; Snyder, 10,058; Sullivan, 3,723; Susquehanna, 16,541; Warren, 18,494; Washington, 107,064.

## HILL ON EAST FRONT TAKEN BY UN FORCES

Seoul, Korea (AP)—Allied troops, advancing behind a curtain of tank fire, today recaptured an Eastern Front hill after 15 hours of continuous fighting.

The U. N. troops had lost the peak, northeast of the Punchbowl, to a North Korean battalion in a pre-dawn battle that marked a shift of Red pressure from the Western Front to the east.

U. S. Sabre jets tangled twice with Communist MIG15s and the U. S. Fifth Air Force reported four of the Russian-built planes damaged. The Sabres were flying protective cover for other planes attacking a locomotive works and rail tunnels.

The Air Force also said gun camera film showed a MIG listed as damaged yesterday was actually probably destroyed. That raised the Sunday bag to four MIGs destroyed, one probably destroyed and six damaged. Allied pilots have destroyed at least 51 MIGs in September.

Sunday's air battles also produced America's 20th jet ace, Capt. Robinson Risner, Oklahoma City, Okla.

Correspondent Robert B. Tuckman on the Western Front quoted a regimental officer as saying "we suffered heavy casualties" in the battle for Old Baldy last week end.

Division officers estimated Chinese casualties at 590 killed and 679 wounded.

Maj. Frederick C. Blesse, top jet ace in Korea with eight MIGs, says pilots set the new record because "we have run into MIGs almost every mission this month."

He disclaimed knowledge of any new "gimmick" designed to improve the Sabre's performance.

It was announced in Washington recently that a new device would soon be tried out on the Sabres in Korea, but Blesse told a news conference, "I haven't used anything on my aircraft that I didn't have on my first mission."

The infantry battles along the Eastern Front marked a change of pace for the Reds. In recent weeks they have concentrated nearly all their efforts in the West.

Battle-hardened veterans of the U. S. Second Infantry Division recaptured Old Baldy early Sunday.

## General to Visit State Next Month

Harrisburg (AP)—Pennsylvania Republican leaders concentrate their efforts in central and eastern counties this week after learning from a top Eisenhower adviser that their presidential candidate will travel across the state next month.

U. S. Sen. James H. Duff, one of the original backers of Dwight D. Eisenhower, said he believes the general will make a train trip through the Keystone State. He fixed the third week of October as the probable time for the trip.

It has been reported Eisenhower would speak at Pittsburgh, Harrisburg and Wilkes-Barre and also make whistle-stop talks along the way.

U. S. Sen. Edward Martin (R-Pa.), campaigning for re-election again criticized federalized deactivation in a week end speech at Iona, Lebanon County.

Meanwhile, state headquarters of Citizens for Eisenhower-Nixon were readied for opening here today.

## Five Accidents On County Highways Over the Weekend

Five accidents injuring five persons, none seriously enough to require hospitalization, was the score racked up by state police on county highways over the weekend. Damage from the crashes was estimated at upwards of \$1600.

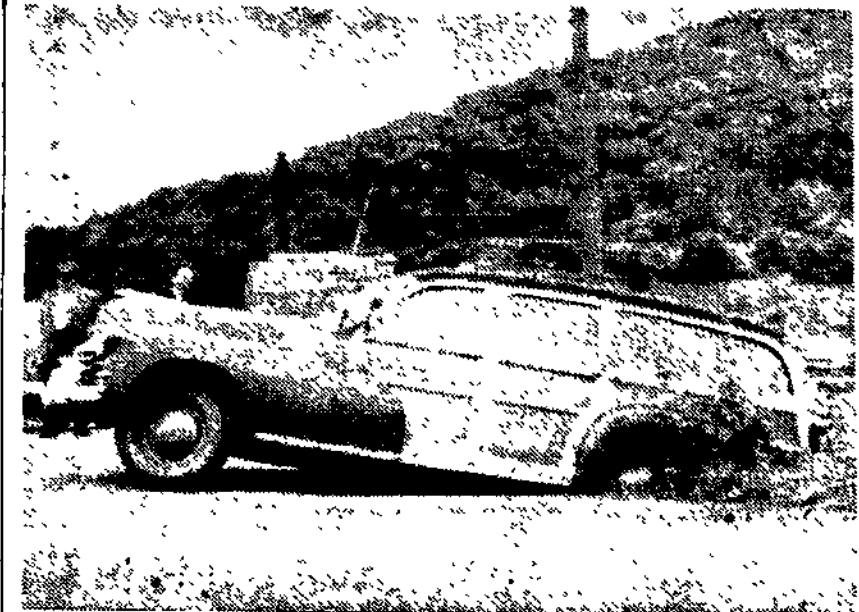

Early Friday morning, Harold L. Fales, Jr., of Pittsburgh, lost control of his car in Pittsburgh on Route 7 and ran off the road, rolling the vehicle over. He was treated at the office of a Youngsville physician for a severe laceration over the right eye. Police estimated damage to Fales' car at \$450.

At 1:20 a. m. Sunday, on Route 69 about four miles south of Sugar Grove, cars operated by Curtis Hanson, 669 Beech street, and Merle Brown, Chanders Valley, collided with about \$100 damage. No one was injured. Police said that Brown was attempting a left turn into a private driveway and Hanson attempted to pass at the same time. Hanson's car bounced off the Brown vehicle into a power pole alongside the roadway.

Sunday afternoon, about 4:30 p. m., a three way crash about one and one-half miles east of Youngsville on Route 6 injured Mr. and Mrs. Dean C. Kunes, of Erie. They proceeded on to Erie for treatment by their family physician. Mr. Kunes complained of a neck injury, and Mrs. Kunes of bruises about the right hip.

Other vehicles were operated by Richard S. Thompson, of Pleasantville, and Raymond S. Johnson, 132 Crescent Park. With the Kunes car in the lead, all were headed west when Kunes stopped (Turn to Page Ten)

## Resident of North East Area Is Victim of Carbon Monoxide In Station Wagon Near Kinzua

DEATH CAR: Above picture shows the station wagon in which Gerald Sweet, 42, grocery store proprietor at Little Hope, near North East, was found dead early Sunday morning near Kinzua, victim of carbon monoxide poisoning.

A well known operator of a general store at Little Hope, near North East, Gerald Sweet, 42, was found dead in the front seat of his station wagon early Sunday morning, by two Kinzua men when they investigated the vehicle which was partly in a ditch along the road leading to the William Penn Lumber Co. mill, about a mile above Kinzua.

Investigation by State Police Officers Pvt. Paul Dell and Pvt. Jack Krupey, and the coroner's office assisted by Dr. J. R. Sugerman, pathologist at the Warren General Hospital revealed that the man was a victim of carbon monoxide poisoning.

The officials were informed that the station wagon was seen in the area early Sunday morning by residents of that district. Relatives stated that he was doubtless en route to visit a brother at Driftwood and indications were that he thought he was turning into the Sugar Run road when he entered the drive leading to the mill. He apparently attempted to back out into the highway, but cut the wheel too sharply causing the back wheels to fall into a ditch, resulting in the exhaust pipe being plugged. When found the ignition was still turned on and there was some gasoline in the tank. Sweet was lying on the front seat with his head on an automobile cushion he carried in the vehicle. A partly burned cigarette was found inside his open shirt.

Discovery of the tragedy was made about eight o'clock by Harry Smales and Ray Ewing after they had looked at the man earlier and decided he was sleeping. Later when they were unable to arouse him they summoned the state police and notified the coroner's office.

The body was removed to the Lutz-VerMilyea Funeral Home where Dr. Sugerman established the fact that the death was from carbon monoxide fumes, and a certificate of accidental death was issued. Later the remains were released to the Marks Funeral Home of North East, and the station wagon taken in charge by two brothers who came to Warren to make the identification and take possession of personal belongings of the victim of the tragedy.

Mr. Sweet was born in Erie county June 13, 1910. He is survived by his wife Bernice, two brothers, Howard of Driftwood and Clifford, North East. His parents, Mr. and Mrs. Edwin Sweet, RD 3, North East, also survive. Plans for the services have not been announced.

## FORMER MAYOR DIES

Winchester, Va. (AP)—Former Mayor Cornelius D. Scully, 73, died today in a nursing home. The two-term mayor of Pittsburgh had been bedfast several months. Scully had been living in Shepherdstown, W. Va. Funeral services will be held there Saturday.

## BITTEN BY PIG

Meadville, Pa. A youth bit by a pig was admitted to City Hospital early Sunday morning. The hospital identified him as Gerard Drba, 19, of Linesville, Route 3. The pig bit him on the leg Saturday night. The youth's condition is satisfactory.

## Parents Lose Tot On Round of Taverns

A bus driver, who had found a three-year-old youngster at the bus station about 12:20 a. m. Saturday, took the youngster to police headquarters where the lad told officers he was lost. A short time later, the boy's mother called in to see if he had been found. The youngster's father told police that a round of taverns had been started about nine o'clock Friday evening, and the boy was lost en route.

## Detective Mortally Wounded In Hail of Gun Fire As Trio Is Cornered in Harlem Room

New York (AP)—Two escaped convicts were shot to death yesterday in a furious gun battle with police after leaving a trail of terror across part of Pennsylvania into New York City.

A detective was mortally wounded in the hail of submachine-gun and pistol fire.

The third member of a desperado trio was captured unhurt as 31 policemen blasted their way into the apartment where the fugitives were hiding with three Negro women.

Joseph Nolen, 26, and his brother Ballard, 22—two gun-crazy bad men from Harlan County, Ky.—died in the roaring five minutes of close-range fire.

Detective Philip Lamonia, 45, shot three times in the chest, died in a hospital a short time later. Detective Nicholas Cotter, 34, was seriously wounded.

Captured was Elmer Schuer, 21, of Chicago, who broke out of the Lewisburg, Pa., federal prison with the Nolen brothers on Sept. 10. They had been serving long terms for bank robbery.

There was an ironical twist to the captures—the trio never intended to come to New York.

After their escape, they wanted to head for Scranton, Pa., but took a wrong road turn in a stolen car. When they found themselves heading for New York, they figured they might as well "lose themselves in the crowds of the big city," police said.

Schuer told police about the trio's movements.

Schuer admitted, police said, that the trio stole a dozen weapons from a Bronx gun store last Monday and looted a Bronx bank of \$12,670 in a daring daylight hold-up the next day.

A vast manhunt had been pressed for the three men since they escaped from Lewisburg. Terrorizing a large section of Pennsylvania, they held a family of seven captive for 18 hours while they hid in their home, stole money and at least three cars, and stabbed a private-duty policeman.

New York police, converging on a seventh-floor apartment in Uptown Manhattan shortly after Saturday midnight on a tip that the fugitives were holed up there, found the place barricaded.

The fugitives were surprised in a tryst with three Negro women, all of whom were seized and held as material witnesses. The apartment bore evidence of a drinking bout.

Police said an unidentified suitor of the one of the women—Arlene Ball, 32—gave the information that led to the desperadoes' hideout.

A burst of gunfire—including machine-gun blasts from at least one of the fugitives—met the police after they broke down a door of the apartment.

The Nolen brothers kept shooting until they fell dead. Schuer, hiding under the bed with a nude woman, fired several times but (Turn to Page Ten)

## New Pact Boosts Mine Wages in the North to New High

Pittsburgh (AP)—Northern soft coal miners, elated over a new contract which removed all threat of a strike and boosts daily wages to a new high, headed back to the pits today.

United Mine Workers President John L. Lewis completed the agreement Saturday night with Harry L. Moses, president of the Bituminous Coal Producers Association, just a few hours before the 170,000 miners were scheduled to go on strike.

The new pact gives the men a daily pay raise of \$1.90, increasing wages to \$18.25 a day.

It also requires operators to pay into the UMW welfare fund 40 cents for each ton of coal produced. Under the old pact operators were required to pay 30 cents.

Miners throughout the northern soft coal fields cheered loud and long when they learned the terms of the agreement. Many referred to the contract as "Lewis' greatest victory."

The UMW contract with the Southern operators expires Oct. 1. The Eastern Pennsylvania anthracite hard coal pact expires Sept. 30, but there is little likelihood of trouble in that field. The operators have already reached a tentative agreement with Lewis, calling for them to accept contract terms agreed on in the remainder of the industry.

## Annual Field Day Attracts Crowd Estimated Over 7,000

## PITTSBURGH POLIO IS ON PAR WITH 1950

Pittsburgh (AP)—The polio rate in the Pittsburgh district is keeping pace with the record year of 1950, the city Health Department said today.

Officials reported 206 cases since Jan. 1, including 14 deaths. They refuse to call the outbreak an epidemic.

The figure on Sept. 20 last year was 206 cases with 12 deaths.

Indicative of the record-breaking attendance at Wilder Field, Sunday, for the annual field day of the Warren Field and Stream club is the fact that cars were parked on both sides of U. S. Route 6 from Wilder Field to Youngsville on the west and to Irvine on the east.

It is estimated that between seven and eight thousand visitors took advantage of the opportunity to see the marvelous displays and exhibits which the club had arranged, and to witness various sports demonstrations.

An entirely unheralded attraction was added as a result of the piscatorial good fortune of Art Streeter of Youngsville, who early in the day, caught a 52-inch, 35-pound muscualonge at Chautauqua Lake, and placed it on display.

Members of the Field and Stream club, favored by perfect weather and exuberant over the success of the fine displays, said today the annual event of yesterday was a climax, the most successful in history.

The wild life display, featuring animals familiar to this section, was augmented by a showing of Canadian geese and mallard ducks. The Game Commission and Fish Commission exhibits attracted thousands during the day as did the showing of live trout from the Farnsworth Fish Rearing Station and mink from the Valley View Mink Ranch at Chandler's Valley. All were interested in the game food shrubs shown by the Soil Conservation Service.

The expert shooter of the day was Fred Soissons of Hastings, Pa., and the axe thrower was Archie Lobdell of Greene, N. Y., the latter also putting on a comedy act called "Shaving the Harmit." Games of skill, shooting and archery drew much attention as did the bug casting competition won by Bob Morrison of Warren, and the complete Indian artifact (Turn to Page Ten)

## 150 Barbershop Singers From Warren And Vicinity Enjoy Fellowship Evening

Almost 150 Barbershop Singers, their ladies and invited guests, from chapters in Warren, Jamestown, Olean and Bradford, gathered in the North Warren community house Saturday evening for a time of good fellowship.

The event was planned by officials of the Seneca Land District of SPBSQSA to promote better acquaintance among members of the chapters in this vicinity, and featured a "Novice Quartet" contest.

This contest was staged in exactly the same manner as district and national contests, with a complete panel of judges, all of whom were members of the local and nearby chapters. The competing quartets were all newly formed groups, several of whom had organized especially for this event when it was first announced last spring.

Frank Cruickshank, as master of ceremonies, introduced the competing quartets, which included four from Warren Chapter, two from Olean, and one each from Jamestown and Bradford. Each quartet sang two numbers for its score, the performance graded by two judges each for voice expression, arrangement, harmony accuracy, balance and blend, and stage presence.

The "Cubanaires" from Olean Chapter, with their smooth rendition of "Mood Indigo" and "When You Wore a Tulip", were adjudged the winners, with second position going to the "Rhythm Four" from Jamestown and third to the "Huntmen" from Warren Chapter.

Zippo Lighters, with the society emblem, were awarded the winning quartet.

While the judges' scores were tabulated, guests were entertained by the Olean Chapter Chorus and their "Clark Angles" quartet, and by the Warren chapter Chorus and Chord Cadets quartet.

The ever-popular "Symphonic Four" from Jamestown added to the fun with their hobo comedy act, featuring Lennie Morse and his Singing Saw.

Following the program, a buffet lunch was served.

General program chairman was Boyd Sanden, assisted by Reynolds Rydgren, Ken Greenlund and Robert Brown.

### Californians Will Be Here Wednesday On Coastal Jaunt

Three southern California auto enthusiasts will pass through Warren next Wednesday Sept. 24th in their endeavor to establish a record for the first non-stop, round-trip, coast-to-coast automobile run.

The three are Louie Mattar and Joe Hitchell, of Anaheim; and Ernie Bashart, of San Diego. They left National City, Calif., Saturday morning, hoping to reach New York City Wednesday, September 24th and be back in Los Angeles, Saturday morning, September 27th.

Their time schedule calls for them to pass through Warren via Route 6 at 4 p. m. They will come onto U. S. 6 from U. S. 59.

The trip is being made in Mattar's 1947 Cadillac, known as the "fabulous car." A San Diego garage owner, he has spent some \$20,000 and four years preparing for the trip. To eliminate potential sources of trouble, he has now installed dual coils, condensers, carburetors, a special high voltage producing generator, extra fuel pumps and tanks.

Additional safeguards includes an automatic system for refilling the oil in the crankcase, water in the radiator and fuel in the gas tank. Mattar also devised a spray system for cooling the tires when the temperature of the rubber reaches a certain point.

The vehicle will pull a special gas trailer with ample fuel, oil and water to reach Kansas City, Missouri.

The trip will cover an estimated 6,250 miles. Mattar hopes to interest auto manufacturers with his innovations, with an eye toward possible future adaptation as standard equipment.

### Woman Is Injured By Pressure Cooker

Mrs. Estella Gern, Pleasant township, was admitted at Warren General Hospital yesterday following emergency treatment for burns to both hands and her chest, sustained when a pressure cooker exploded at her home. Her condition is described as good today.

Other emergency cases treated over the weekend include Fred Wilson, of Irvine, employed at National Forge, who sustained a laceration of the right thumb requiring six sutures when a transformer fell on the finger yesterday.

On Saturday, Karen Wagner, 5, Warren RD 2, was treated for a laceration of the right knee requiring three sutures. She fell while running across the street.

Also Saturday, James Lopez, North Warren, was treated for a fracture of the left thumb, sustained while playing football. He was discharged after application of a splint.

Another finger fracture case was Andrew Sorensen, Cobham Park Road, who struck his left fourth finger with a hammer. He was discharged after a splint was applied on Saturday. On Friday, Marshall Dahl, Jr., 409 Edgewood Place, fell while playing and cut his right hand. The wound required four sutures.

### BIG FISH

According to a report received at the Times-Mirror, three Youngsville fishermen were lucky at Chautauque Lake on Saturday. Forest Rapp and Carl Anderson hauled in a 51-inch musky during the late afternoon, and a short time later, Art Streeter is reported to have taken a 52-inch fish in the same spot. Rapp and Streeter are both associated in Mariner Brothers Garage in Youngsville.

### MARRIAGE LICENSES

Two marriage licenses were issued Saturday at the office of Recorder Don Schuler. They went to Edward Robert Anderson and Florence Sprague DeGraff, both of Cassadaga, N. Y.; and to Donald Raymond King, of Russell, and Bonnie June Henton, of Warren.

### FALL INSTITUTE FIGURES

Having a prominent part in the 1952-53 teachers' institute for Warren and Forest counties, held Friday in the Warren High School, were the trio pictured above, left to right: Mrs. Marshall Morrow, president of Warren County Branch, Pennsylvania State Education Association; Eugene P. Bertin, assistant executive secretary, PSEA; and Mrs. Frank Iseman, Jr., chairman of the workshop committee in charge of these discussion groups.

The morning sessions were opened with devotions by Dr. Arthur Colley, of First Methodist church, and a cornet solo by Lewis Carber, with Gerald Klenck at the piano. Mr. Bertin briefed the group on "Conducting a Workshop" and the group sessions followed, a chairman, a consultant and a recorder in charge of each. Luncheon for these principals and the executive committee of the PSEA followed at the YWCA, while many of the teachers dined in the school cafeteria. To open the afternoon session, novelty selections were given by William Daley, William Henry and Vincent Toscano, members of the Warren Boy Choir. Group meetings continued until 3:00 p. m., when Dr. Rhea K. Boardman spoke on "The Home, the School and the Child."

A short business meeting of the executive board of the PSEA followed the final session.

### AMUSEMENTS

#### GARY COOPER IN "HIGH NOON" AT THE LIBRARY THEATRE TODAY, TUESDAY

People have become accustomed by habit to looking for something different in the films of Stanley Kramer. The producer of "Champion," "Home of the Brave," "The Men" and "Cyrano de Bergerac" is justly famous—inside and out of the movie industry—as a man who takes a fresh approach. His admirers will not be disappointed when they see Kramer's new film, "High Noon," today and Tuesday at the Library Theatre, through United Artists release.

"High Noon" is a western, but with a difference—quite a few differences, as a matter of fact. An hour and a half of unrelieved suspense, "High Noon" was directed by Fred Zinnemann, with an intriguing musical score written and directed by Dimitri Tiomkin, and stars Gary Cooper as the marshal of a frontier town of the old west. The large supporting cast includes such players as Thomas Mitchell, Lloyd Bridges, Katy Jurado, Grace Kelly, Otto Kruger, Lon Chaney, Henry Morgan, Ian MacDonald, Eve McVeagh, Lee Van Cleef and many others.

### POLE BROKEN

City police, on night patrol at 12:15 a. m. today, came upon a car against a telephone pole at the west end of the Pennsylvania avenue. No one was around the vehicle, but it was ascertained from the license number that Donald Vincent, Grand Valley RD 1, was the owner. The vehicle had struck the pole and broken it off about eight feet above the ground. Police ordered a local tow truck to haul the vehicle away, and notified Bell Telephone Company that repairs were necessary. Damage to the car was estimated at \$300, and to the telephone equipment about \$100. It is not known if anyone was injured.

The regular bi-monthly meeting of the American Legion will be held in the Legion Home at eight o'clock.

#### FORTY HOURS

Forty Hour devotions are now being held at Holy Redeemer church. Closing services will be on Tuesday evening.

#### NO FIRES

City firemen report no action over the week-end, the last call being answered last Thursday when they went to S. South street for a minor blaze.

#### VFW AUXILIARY GAMES

The series of games sponsored by the VFW Auxiliary has been changed from Monday night to Tuesday night of each week and will be in the VFW rooms instead of the Schindler building.

#### TIME CHANGE

In answer to many questions, Daylight Saving Time will end this coming Saturday night, Sept. 27, with Eastern Standard Time in force again on Sunday.

#### CRARY EXHIBITION

An exhibition of fifty recent prints by Clare J. Crary will be open at the Art Gallery of the Warren Public Library on Tuesday. These photographs were made in France and Italy. The exhibition will continue through September 7th. The hours are from 3 to 5 and from 7 to 9 p. m.

#### BUSTI ACCIDENT

According to the Jamestown papers, two women were hospitalized in Jamestown, and two other persons injured in a car-truck crash at Busti at 8:45 p. m. yesterday. Hospitalized were Mrs. Betty Harkins Wilson, 18, of Youngsville, who sustained possible fractured ribs; and Mrs. Iva Gibson, 50, also of Youngsville, with knee and elbow injuries. Others injured were James Harkins, 55, of Youngsville, driver of one of the vehicles, and Mrs. Mary Edith Nuse, daughter of Robert Gibson, of Youngsville RD, the other driver. According to the story, Harkins drove out of the driveway of the Lamp Post Inn into the path of a pickup truck operated by Gibson. Harkins had several stitches taken in a deep forehead cut, and Mrs. Nuse suffered the loss of several teeth. Both were discharged after emergency treatment. Damage to the cars was not stated.

#### GUNSMITH'S CONCLAVE

Final plans are shaping up fast for the annual Gunsmith and Handloaders Convention that will be held in Clarion on Saturday afternoon and evening, September 27. Gunsmiths, bench-rest men, manufacturers, wholesalers, retailers, and plain ordinary lovers of fine guns are joining forces to make the affair give promise of being one out of the ordinary. Prizes for various phases of fine gunsmithing include stocks, barrels, reloading tools, bullets, feature parts, gun oil, and gun cases. Among the firms that are sponsoring the giving of these prizes are E. C. Bishop and Son, Bob Wingard, Arizona Bullet Co., Maynard P. Bueller, Barclay-Stewart & Co., Easton Rifle and Tool Co., Smiley Case Trimmer Co., Silicote Company and Fulcrum Oil Co. Among the nationally known figures from the firearms field who already have made reservations for the convention are Pete Brown, gun editor of Sports Afield, Charlie Smith and Morris Green from Remington, George Bolton from Winchester, and Wayne Fleming from Brownell Industries. Scores of gunsmiths and bench rest shooters are expected.

Director Harry Summers has called the initial rehearsal of the Warren Civic Orchestra for 7:30 p. m. Wednesday at the high school building and again reminds that all persons interested in playing with this group in the 1952-53 season will be welcome. Carried on under the adult education program of the school district, each player is asked to deposit a fee of \$5 with the school district, this sum to be refunded at the close of the season if the member has participated in at least three-quarters of the rehearsals.

#### NUISANCE CALLS

Police answered their usual quota of nuisance calls over the week-end. About 11 p. m. Friday, two elderly ladies complained that they were being annoyed by a small cat clambering up and down the screen door of their home. Officers took the feline to Poplar and Fourth and released it to find its way home. A short while later, police were called to the east side where a couple of drunks refused to get out of a taxi, preferring to argue with the driver. They left when police arrived. Shortly before midnight on Saturday, officers were called to Branch street to look for an alleged prowler. They found everything in order. At 1:25 a. m. Sunday, a telephone call

**HIDDEN DEATH RIDES THE HIGHWAYS.** This grim wreck cost six lives last year, yet it was only one of 125,000 traffic accidents in which 1,560 men, women and children were killed. To help reduce drastically the tragic toll of death and injury on the highways, the Pennsylvania Bureau of Highway Safety urges all motorists to drive safely by observing traffic laws.

## Driver Education Movement Makes Rapid Strides in the Nation During Past Ten Years

New York—Opening of the fall school term is bringing a new crop of future motorists into the nation's high school driver education program which will soon send the yearly total of formally educated young drivers over the 4,000,000 mark, but on the whole the movement to educate boys and girls to safe drivers before they obtain their operator's permits is lagging in many states, a survey by the National Association of Casualty and Surety Companies revealed today.

The high school driver education movement made its most rapid strides between 1947 and 1951, noted out Thomas N. Boate, manager of the association's accident prevention department, "but during the school year which ended in June of 1952 smaller gains are noted in the totals of participating secondary schools and eligible students enrolled.

During the 1951-52 academic year the number of schools sponsoring driver education courses increased by 191, but this is in contrast to a gain of 728 the previous year over the number of high schools offering these courses in the 1949-50 academic year. Likewise, the 1951-52 gain in eligible students enrolled was 351 over the 1950-51 school year's driver education enrollees, the latter year's increase over

## Boro May Be Site For Proposed Blood Bank in District

**Corry Journal:** The possibility of a sub-regional blood bank being established in northwestern Pennsylvania, possibly in Warren, was indicated for the first time yesterday by Drs. L. Edgar Hummel and Edward L. Valentine, director and assistant medical director of the Buffalo Regional Blood Center.

In a visit to the Corry Memorial Hospital, the two officials of the blood center explained to Supt. Edgar Alexander that serious consideration is being given establishment of the center with Warren, Bradford and Erie being considered as the sites.

While physicians in the Corry area have not had many occasions to call on the Buffalo bank for rare or hard-to-match types of blood, it can easily be seen what a sub-regional bank located in this section would mean, Supt. Alexander pointed out.

In an emergency situation where the blood needed would not be on hand at the local hospital, it would be possible to rush it here from Warren—if that city is selected as the site—in an hour.

Aside from saying that the sub-regional bank is being considered strongly, the two doctors gave no indication as to when it might be set up.

If it should be established, the bank would serve, in addition to Corry, Meadville, Titusville, St. Marys, Warren, Bradford, and as far north as Olean.

Besides discussing tentative plans for the area blood bank, the two physicians also discussed problems relative to the Red Cross blood program as it has operated over the past two years.

Dates for the sessions are September 23, September 30, October 7, October 20, November 11 and November 25.

# NOSE, THROAT,

## and Accessory Organs not Adversely Affected by Smoking Chesterfields

**FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE**

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough

examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

The most complete protection ever offered for individuals and family groups is now available through "The White Shield Program," sponsored by Fidelity Interstate Casualty Company, with offices in principal communities throughout the state. From the home office in Philadelphia comes word that this sensational new plan is meeting with amazing success in offering protection against financial worries resulting from health emergencies. "The White Shield Program" pays up to 150 days of hospital benefits for each illness or accident for each person, up to \$480.00 in surgical expenses, pays for physician's visits (to home, office or hospital) and even sends you a big paycheck every month, if you are sick or injured! There are virtually no restrictions of any kind . . . it doesn't matter if you're 3 months old - or 79 years . . . and no medical examination of any kind is required. Truly complete health protection - at lowest possible cost!

**WHITE SHIELD FOLLOWS YOU EVERYWHERE AND THERE IS NO AGE LIMIT!**

**WE NEED  
REPRESENTATIVES  
AT  
ONCE!**

Whether you continue to stay in this area or travel to the farthest points of the world, your White Shield Program protects you just the same. Nor is there any loss of time in paying claims because you're hundreds or thousands of miles from home. Another factor of importance is the fact that everyone is eligible from 3 months to 79 years of age, no medical examination required.

**CALL OR WRITE TODAY!**

This is your opportunity! Such great numbers of persons are making inquiries about "The White Shield Program", we find that we need many, many more representatives to pass out the required information. If you are interested in helping others while you help build your own income and future, please contact us immediately. The opportunity for a grand future and excellent earnings has never been greater. Write or phone Mr. Johnson at St. Marys 2353.

**17,500,000 HOSPITAL CASES IN 1951!**

One out of every 2 families in the United States will have someone hospitalized this year, and more than half of them will require surgery. What a blessing to have "The White Shield Program" pay for doctors, nurses, hospitals, surgery . . . and provide you with an income!

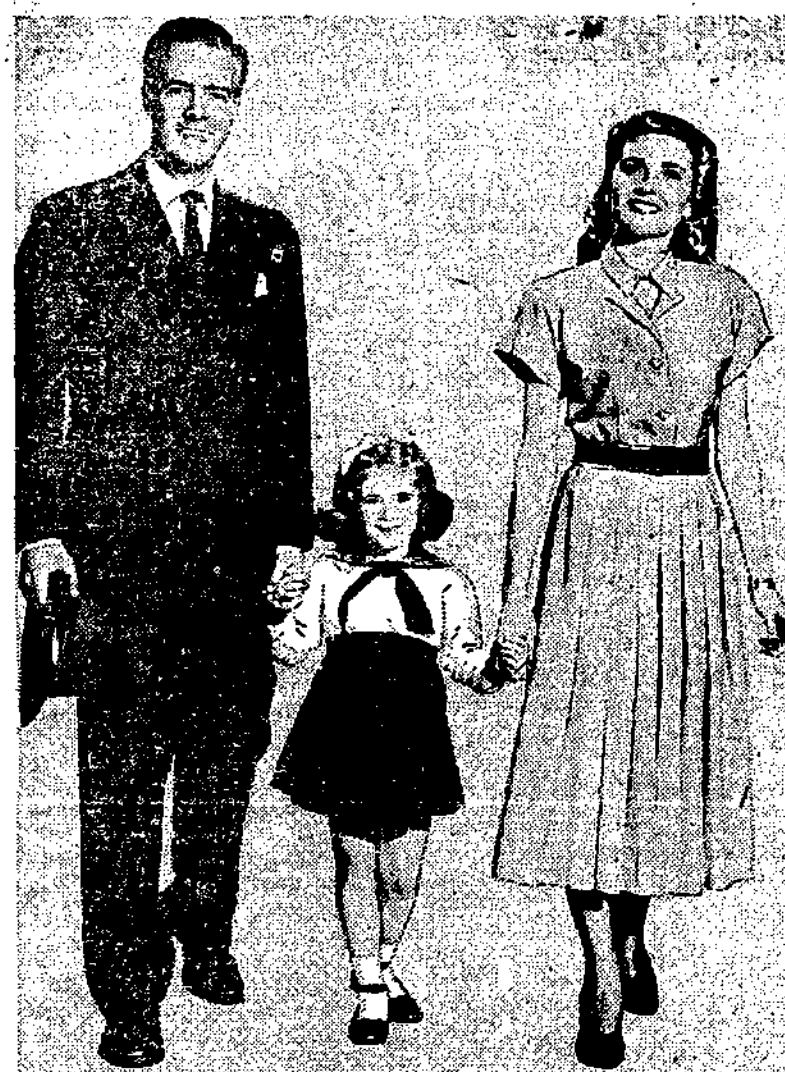

**These Five Pennies

**Immediate Cash for Doctor Bills, Hospital Bills, Nurses, Maternity Cases, First Aid and Even Loss of Income Due to Accidents Provided by Generous White Shield Program**

Your claims will be paid promptly, and the cash sent directly to you, your doctor, or the hospital. Incidentally, when we say payments are prompt, we really mean it . . . our records include cases where payments have been made to a member within the hour of his reporting his illness. What a godsend to go about your daily work, with mind completely free of any worry about not having cash when an unfortunate illness or accident strikes your home. It's like having a "rich uncle" always at your side.

### One Flat Rate Covers The Entire Family!

We're happy to welcome you as a member, whether you're joining individually or as a family group. And if yours is a family . . . no matter how many are in it . . . you'll save money and trouble, because we make one flat "family-rate" to include both parents and all children up to the age of 18 years. There's no waiting . . . no red tape!

Picture your own family, with mind free of worry about doctor bills, hospital expenses, surgeons' costs or even loss of income from your regular job due to illness or accident. That's what the White Shield Program offers you! Why not learn all the facts about this wonderful health protection plan today? You'll be ever thankful that you did.

Just decide yourself, which doctor you prefer to have take care of you, and White Shield Program pays him.

**Go to any doctor, any hospital you wish and choose your own surgeon**

Most of us prefer to have our own doctors, and to go to our own hospital, when serious illness strikes. That's why it's so good to know that with the "White Shield Program" protecting you, you're free to choose any licensed doctor, surgeon, hospital and nurse you wish.

### 'BREADWINNERS' EARNINGS PROTECTED BY WHITE SHIELD

The hardest blow that can strike a household is to have the wage-earner's income stopped because of illness or accident. Just when you need money most, expenses seem to pile up fastest. That's another reason why the White Shield Program is so necessary to you . . . it takes up when the paychecks stop coming in from a regular job.

## Lander Methodist Board Is Planning Events for Season

Lander—Eighteen members of the official board of the Methodist church attended the regular meeting, Rev. Gustav Erickson presiding and conducting devotions.

Routine reports were given by the secretary, Mrs. Elmer G. Iwanson, and treasurer Mrs. Paul Iwanson, the latter showing all obligations, local and to the conference, have been met. Minor repairs were discussed and will be taken care of by the trustees.

The program of the church for the fall and winter months was discussed at length, including observance of World Wide Communion Day on October 5. Sunday school workers will arrange for a special Rally Day program; Sunday evening services will begin October 5 under the leadership of the Youth Fellowship. Fine religious films will be shown some of the Sunday evenings, several guest speakers will be invited, and the pastor will give a series of evangelistic messages. A social tour will follow the service on the first Sunday of each month.

Following the business meeting, a social hour was enjoyed and Mrs. Erickson served refreshments, assisted by several members of the board.

Wearing a white wedding gown with chapel length train and carrying a white orchid on a white ribbon, Doris Eleanor, daughter of Mr. and Mrs. Carl Danielson, 4 Jefferson avenue, became the bride on Thursday of John G. Anderson, son of Mr. and Mrs. L. D. Anderson, Russell R. D. 1.

The single ring ceremony was performed at 7:30 p. m. in St. Paul's Lutheran church, the Rev. Nore G. Gustafson officiating before an altar decorated with palms, mums and candelabra.

Mrs. Chris Anderson, North Warren, a cousin of the bride, sang "Today, O Lord" by DeKoven before the ceremony, with "O Perfect Love" during the service. Mrs. Emil Jacobson, at the organ, played "In a Monastery Garden" by Ketelby, "Idyll" by Sidsall, "I Love Thee" by Grieg, and Schubert's "Serenade".

Given in marriage by her father, the bride chose a gown with bodice of imported chantilly lace over rich bridal satin, the same lace enhancing the back of the full satin skirt, which fell into a brief sweep. A pelerin collar finished the high neckline and sleeves were long and tapered over the hands. A satin headband held her shoulder length veil of illusion net.

As maid of honor and the bride's only attendant, Ruth Danielson wore a floor length gown of cotton blue, with nylon net skirt, lace bodice and matching bolero with mandarin collar. Pink roses fashioned her arm bouquet and head bandeau.

David Anderson was best man for his brother and ushers were Charles Danielson, brother of the

bride from Philadelphia, and Kenneth Carlson, her cousin.

The bride's mother was gowned in blue and Mrs. Anderson in navy, each with black accessories and yellow rose corsage.

One hundred guests were greeted at the reception which followed in the church parlors. Centering the bride's table was a four-tiered cake topped with miniature figures, Mrs. David Anderson serving; Harriet Carlson and Mary Ruhlman presiding; Mrs. Victor Hornstrom and Mrs. Gail Nelson as aides; and Mrs. Russell Thelin in charge of the guest book.

Included among out of town guests was the bride's cousin, Kerstin Kogert from Sweden; and relatives and friends from Miami, Fla.; Jamestown and Sheridan, N. Y.; Englewood, N. J.; and Philadelphia.

Leaving later for California, where they will reside in San Francisco, the bride was wearing a navy suit, matching accessories and her white orchid.

Both young people are graduates of the Warren High School Class of 1947, the bride having been employed since by the Pennsylvania Gas Company; the bridegroom attending North Park College in Chicago, and presently serving with the U. S. Marines.

Honoring the bride-elect have been her aunt, Mrs. Ernest Carlson; Ruth Danielson; Delores Olson; Mrs. David Anderson; Mrs. Tom Salapek and Magdalene Benson; girls at the gas company office; Mrs. Russell Thelin; Mr. and Mrs. Phillip Johnson.

### SET DATE FOR COUNTY MEETING

Mrs. Ralph E. Sires, president of the Warren County Federation of Women's Clubs, announces the fall meeting of the organization will be held October 22, entertained by the Progressive Women's Club of Sheffield.

Mrs. Sires, with a number of Blue Stocking Club members, was in Kane last Wednesday to attend the annual convention of the Northwestern District, when more than 250 women gathered in First Methodist church. Accompanying the county president from here were the Blue Stocking president, Mrs. R. L. Blodgett, Mrs. Robert Winger, Miss Mabel Siggins, Mrs. Fred Emhardt, Mrs. Earl Christensen, Mrs. Harriett Wilkins and Mrs. A. E. Soderholm.

Also in attendance were several Sheffield women, representing both the Women's Club and the Progressive Woman's Club.

### MISS ALLMENDINGER PLANS OPEN CHURCH

Patricia Allmendinger, daughter of Mrs. Anna Allmendinger, 202 Redwood street, will observe open church Saturday, September 27, for her marriage to Robert John Lundberg, son of Mr. and Mrs. John Lundberg, 107 Jackson street, North Warren.

The ceremony will take place at 2:00 p. m. in Grace Methodist church.

## Local Interest In Wedding in Sharon

Corydon — Announcement is made of the marriage of JoAnn Taylor, daughter of Mr. and Mrs. David Taylor, Sharon, and Ralph Faber, of Hubbard, Pa., in a double ring ceremony performed in the First Methodist church of Sharon by the Rev. Macklyn Lindstrom.

Both young people are graduates of Sharon High School and presently employed at Westinghouse. The bride is a niece of Mr. and Mrs. Orson Coates, of Corydon, and a frequent visitor here.

The bride was given in marriage by her father and was gowned in white chantilly lace over satin. Her ballerina length gown was designed with fitted bodice, stand-up collar, long, pointed sleeves, and panels of lace and net inserted into the bouffant skirt. Her veil of illusion net fell from a lace bonnet and she carried white feathered chrysanthemums.

Mary Conlon was maid of honor and Andy Giroldi was the best man.

A reception for 150 guests was held Saturday evening.

Upon their return from a Washington honeymoon, the couple will make their home with the bride's parents.

### BETA SIGMA PHI

The regular meeting of Epsilon Epsilon Chapter, Beta Sigma Phi, will be held Wednesday evening at the home of Phyllis Lineman, 604 Market street.

Opening fall meeting of the chapter was held at the home of Fae Christiansen, 112 Water street. President Doris Peterson conducted the business session, when plans for the fall rushing period were discussed. In addition Kathleen Gorenko was welcomed as a transfer member from Ohio. Concluding, refreshments were served by the co-hostesses, Maxine Myers and Helen Norris.

## Big Evening For Country Clubbers

All women of the Conewango Valley Country Club are invited and urged to turn out for the final golf dinner for the ladies, scheduled at 6:30 p. m. Tuesday at the club.

While the golfers will tee-off at 2:30 for a five straight hole-amateur match, in which all classes may play in any combination, there will be something doing in the way of entertainment for everyone.

There will be first and second prizes in each class for the afternoon's golf winners and Mrs. Byron Knapp, prize chairman for the season, will distribute the year's awards for the dinner program.

Awards are also planned for winners of the birthday corsage contest, each member to wear a corsage symbolic of some event in her birth month.

Bridge and canasta will round out the evening's festivities.

### WOMEN OF THE MOOSE

All members of Warren Chapter 693, Women of the Moose, are urged to attend the meeting at 8:00 p. m. Wednesday, when there will be a class initiation and Chapter Night observed by the publicity chairman, Alice Reese, with entertainment to follow the meeting. Everyone is urged to turn out, since Mooseheart and Moosehaven benefit by attendance of the chapter.

### AUXILIARY INDUCTION

Miss Amanda Johnson, Ridgway, who is the new western director for the Pennsylvania American Legion Auxiliary, will visit Chief Cornplanter Auxiliary 135 on Tuesday evening for the purpose of installing newly-elected officers of the local unit. The meeting and induction ceremony is scheduled at 8:00 p. m. in the Legion Home, and all members are asked to be in attendance.

### NAOMI SNYDER HAS NAMED WEDDING DATE

Mr. and Mrs. Earl R. Nobles, Pleasant township, announce that their sister, Naomi Snyder, has chosen Saturday, October 4, for her marriage to Harold Foster, Jr., son of Mr. and Mrs. Harold Foster, Jamestown, N. Y.

The ceremony will take place at 7:00 p. m., in First Presbyterian church, the bride observing open church.

### HALE AUXILIARY

Mr. and Mrs. Henry Larson, Akeley, will entertain the Ladies' Auxiliary of the Hale Cemetery Association at noon Thursday, with Mrs. Flora Wiltzie assisting. All are welcome.

Palms and bouquets of white glads decorated the altars of St. Joseph's church at 10:00 a. m. Saturday for the wedding of Virginia Lois, daughter of Mr. and Mrs. James M. Moore, Oil City, and Carl J. DeStefano, Ridgway, son of Mr. and Mrs. James DeStefano, 812 Fourth avenue.

Father Arthur Leon celebrated the nuptial mass and read the double ring service. Mrs. Donald Edinger was at the organ and James O'Donnell, Roystone, sang "Ave Maria", "Panis Angelicus", "O Lord, I Am Not Worthy" and "Mother, At Thy Feet Is Kneeling".

The bride wore a ballerina length gown of white chantilly lace over satin, styled with sweetheart neckline in an illusion yoke and long, tapering sleeves. A pillbox-hat held her fingertip veil and white carnations were used to fashion her colonial bouquet. Her pearl earrings were the bridegroom's gift.

She was given in marriage by her father and had as her only attendant her sister, Joan, of Oil City. Her ballerina gown was of powder blue nylon net, a matching jacket worn over the strapless bodice. Her bouquet was of yellow carnations in a colonial arrangement.

Neil DeStefano, New York City, was best man for his brother and ushers were Mickal Siranni, cousin of the bridegroom, and Charles McLean, Washington, D. C.

Mrs. Moore chose for her daughter's wedding a blue gown, pink accessories and matching roses; Mrs. DeStefano wore navy accessories and yellow roses with wine color.

The wedding breakfast followed in St. Joseph's hall and a reception for 200 guests was held in a large white tent placed on the lawn at the DeStefano home. Tables were beautifully decorated with fall flowers and a five-tiered wedding cake, placed against a background of lovely roses. Mrs. Alfred Figliuzzi was at the punch bowl, Mrs. Anthony Guirre served the cake, aides were Nancy T. DeStefano, Ruth Figliuzzi and Rose DeStefano.

Out of town guests were from Olean, Buffalo, New York City; Crewe and Norfolk, Va.; Washington, D. C.; Sewickley, Oil City, Erie, Cory, New Castle, Kane, Ridgway and Erie.

For a northern wedding trip, the bride chose a light blue suit, navy accessories and an orchid corsage. Upon her return, the newlyweds will reside at 32 South street, Ridgway, where Mr. DeStefano is employed as sports editor for the Ridgway Record. He is a graduate of Warren High School, Class of 1943, and of Pennsylvania State College in 1948.

His bride, graduated from Cran-

berry High School in 1949 and from the Oil City Hospital School of Nursing this month, has accepted a position at the Elk County General Hospital at Ridgway.

Honoring her with parties have been Mrs. Alfred Figliuzzi and daughters, Ruth and Mickey; Rose, Nancy, and Jean DeStefano; Mrs. James Moore and Joan Moore.

**CANTHEEN DANCE IS GREAT SUCCESS**  
The Victory Dance, celebrating the Warren Dragons' triumph over the Franklin Nurserymen and held Saturday night in the Warren Youth Canteen, was well attended by high school students. Deacon Dave and His Society Seven were on hand to give everyone "a musical treat for their dancing feet".

Modern highways are built as much as 36 inches thick for heavy duty, but as late as 1934, a 10-inch concrete slab was thought sufficient.

### Hats and Shoes of the Atomic Age Take on Strictly Modernistic Air

**FREE FORM . . .** Here are three versions of John Fredericks' "advanced modern" cloches for fall (l. to r.): The sequin helmet, the winged valour helmet and the rocket helmet. Colors include voltage blue, future pink and a series of "bleached" pastels.

By DOROTHY ROE  
Associated Press Fashion Editor

You're all set, fashion-wise, for a rocket trip to the moon in some of the more advanced fall styles in head-and-footgear. Among the milliners, John Fredericks plunges farthest into the future with his new collection of "advanced modern" shapes, which include the "linear cloche", the "free form" and the "light struck" designs. This strictly contemporary designer feels that hats should be pure form this year, uncluttered by trimmings, hugging the head and ready for whatever space flights may be in store.

Fall shoes are just as radical, going in for invisible foot coverage. Clear, transparent vinylite is used in some of the season's most advanced styles, giving the illusion of bareness but actually providing full covering for the foot. These, too, manage to have a look of the future—the sort of footwear chosen by ladies of the atomic age, who expect to travel about the firmament at supersonic speeds.

**GLASS SLIPPERS . . .** These are for strictly modern Cinderellas (l. to r.): Sling-back pump in clear vinylite outlined in satin strips by Paltor de Liso; mule-back sandal with vinylite bands studded in jet, by Newton Elkin; suede-and-vinylite asymmetric sandal, by Jerro.

### North East Girl Is Accident Victim

Jamestown, N. Y.—A 19-year-old Sherman girl died in Westfield Memorial Hospital yesterday morning, eight hours after the car in which she was riding plunged across a tree-studded field and wound up against a pole carrying high tension power lines.

Dorothy Virginia Trask, an employee of the Sunshine Packing Company of North East, Pa., suffered a skull fracture and internal injuries, police said. Her death brought the county's highway toll for the year to 23.

At least nine persons were injured in other Chautauqua County accidents, all of them yesterday. Four were hurt in a two-car crash at Busti, three were injured at Levan when their car struck a cement culvert, and one-car accidents at both Shore Acres and Fluvanna accounted for two more injured persons.

Charges may be placed against Sam Messenger, 26, of Geneva, Ohio, driver of the car involved in the fatal accident, according to the Chautauqua County Sheriff's Department.

Messenger was injured in the crash but three other passengers, including the Trask girl's sister, escaped unhurt.

The driver received chest injuries and lacerations of the face and hands. His condition was listed as "good" last night by attendants at the Westfield hospital.

**Car Misses Curve**  
Deputy Lester C. Thompson said Messenger's old-model car traveling south on the Parker Road, Town of Westfield, at a high rate of speed, missed a curve about two miles northwest of Sherman and shot into a tree-filled field.

Its speed was such that several trees, some eight to 10 inches in diameter, were "uprooted," the deputy reported.

The auto, nearly demolished, had come to rest upright against the power pole when the glare from its headlights was seen by Thompson. Going a routine patrol on the Parker Road.

#### CRUELTY TO ANIMALS

In Friday night's Times-Mirror on page twelve an article appeared about Mr. Peter Lucia finding four puppies abandoned in a box thrown into the brush. How could any man or woman commit such a crime and go away knowing those defenseless little puppies would starve to death. If the owner had not wanted them, he or she could have paid a veterinary to put them to sleep in a humane way. I am sure if they are not mentally unbalanced, there should be a conscience to haunt them the rest of their lives.

If there were more kind hearted people like Mr. Lucia, and less

#### QUESTIONS AND ANSWERS

Q.—I have just been discharged from the WAVES, and I plan to go to school under the Korean GI Bill. I am married and my husband earns a nice salary. We have no children. May I claim him as a dependent and receive a higher rate of GI educational allowance?

A.—No. So long as your husband is not actually dependent upon you, you may not claim him as a dependent for GI allowance purposes.

Q.—I realize I'm allowed to make only one change of course under the Korean GI Bill training provisions. But is there any limit on the number of times I can change schools, without changing my course?

A.—The law places no limit on the number of times you may

### Watkins Glen Upset By Race Fatality

Watkins Glen, N. Y.—Citizens of this small central New York town were divided on whether their community should play host to road races in the future following the crash of a race-car into a group of spectators.

A small boy was killed and 18 persons injured yesterday when a powerful Allard-Cadillac racing car veered off the track and into the screaming crowd during the running of the fifth annual Grand Prix, widely considered America's premier road race.

Mayor Allan D. Emory expressed sorrow for the unfortunate accident but said he "would like to see it returned."

"I would like a study made of the course to make it as safe as humanly possible," he added. "It would be bad to see anything as big as this stopped."

However, most officials doubted the state would grant a permit to the community for the races. A driver was killed here two years ago at another Grand Prix.

The 189-mile race for foreign-made cars was called off after the accident. A twisting 6-6 mile grind over dirt, gravel, macadam and concrete roads comprised the course over which about 100 entrants from all parts of the country were going to race.

Kit Carson is credited with delivering the first news of the discovery of gold in California to Washington, D. C.

Q.—I have a \$10,000 National Service Life Insurance term policy that is about to expire. I plan to renew \$5,000 as term insurance. If I change my mind some time in the future and want to renew the remainder of my insurance, may I do so—even though the expiration date will have passed?

A.—No. The amount of insurance not renewed will terminate at the expiration of the term period, and may not be reinstated at any time thereafter.

# WARREN BEATS HARD-PLAYING FRANKLIN TEAM AS SHEA SCORES THREE TOUCHDOWNS

## Visitors Make 17 First Downs To Locals' 7; Complete 12 of 20 Passes in Aerial Attack

Hard-driving Toby Shea scored three touchdowns, one of them after a 79-yard jaunt, to give the Warren High Dragons a 19-13 victory over Franklin and undisputed possession of leadership in District 10, Section 2, before a capacity crowd at War Memorial Field, Saturday afternoon.

Taking advantage of the breaks, the Blue and White gridders marched 76-yards to paydirt in the second stanza, 58-yards in the third, with Shea's break-through for 79-yards in the last of the third quarter to climax Warren's scoring.

A desperate aerial attack in the last frame paid off with two touchdowns for the surprising Nurserymen, and threw a scare into the Dragons, although Coach Fred Bell played most of his reserves in the last half of the game.

A similar incident to the Corry game occurred in the first quarter, when fullback Shea ran 14-yards for a TD, only to have it called back because of a Warren penalty. This put the Dragons back on the 19, after they had moved from the Franklin 38, but the visitors held them short of a first down on the third and ended the threat.

According to statistics, the Nursery eleven had it all over the locals, with 17 first times against seven, and completed 12 out of 20 passes to indicate the Warren pass defense is still on the weak side.

The first Warren score originated early in the second quarter after Franklin, paced by Chuck Jones and Ted Brown, had battled 50 yards to the Warren 25 and then lost possession of the ball on a fumble. Don Cummings and Dick Hartnett did the recovering for Warren.

She smacked right tackle for a five-yard gain and an interference penalty was called against Franklin on the next play to give Warren the ball on their own 44. On a reverse, Don Mahaffey moved three yards, Shea failed to gain, and then Gene Morris nailed one

## One Dodger Victory or Giant Loss Will Give 1952 League Crown to Brooklyn This Week

By RALPH RODEN  
AP Sports Writer

Only a supermiracle will prevent the Brooklyn Dodgers from representing the National League in the 1952 World Series against the New York Yankees or Cleveland Indians.

The storied Bums of Flatbush are assured today of finishing in no worse than a tie for first place when the curtain falls next Sunday.

Manager Charley Dressen's pennant-slaved athletics moved to within one victory of clinching the flag yesterday. Joe Black, making his first start to the season, pitched the Dodgers to an 8-2 victory over Boston while the runner-up New York Giants dropped a 6-2 decision to Philadelphia.

The victory boosted Brooklyn's lead over the miracle men of 1951 to six games. Both teams have six games left to play and one Brooklyn triumph or Giant defeat will nail down Brooklyn's first pennant since 1949.

Meanwhile, Allie Reynolds kept the Yanks in the driver's seat in the American League race. The Chief, gunning for his first 20-victory season, pitched the Yanks to a 1-0 decision over Harry Byrd and the pesky Philadelphia Athletics. The Indians, behind Bob Lemon, waltzed to a 7-1 victory over the Detroit Tigers to remain 1½ games afield.

Reynolds permitted only three hits in posting his 19th victory but

he had no easy sailing. He walked eight and almost gave up the ghost in the seventh and ninth innings.

Cass Michaels tripped to begin the seventh but died on third. The A's loaded the bases with one out in the ninth but couldn't pierce Reynolds' armor.

Byrd surrendered only five hits but the Yanks bunched two of them along with a pair of walks in the sixth inning to score the game's only run. Yogi Berra singled Joe Collins across from second base with the payoff marker.

Lemon turned back the Tigers on four hits in gaining his 21st conquest of the campaign. Al Rosen was the big wheel for Cleveland, batting in four runs on his 27th homer and a double.

The Dodgers and Braves were locked in a 2-2 duel until the eighth when the Brooks scored six runs after two were out to lock it up Roy Campanella singled home the tie-breaking run.

Black limited Boston to three hits and deserved a shutout as Carl Furillo's error in the fourth led to both Braves' runs.

Veteran Russ Meyer paroled out nine hits in besting the Giants and squaring his record at 13-13. The Phils clinched matters in the fourth when Bill Nicholson rocked Lemon, waltzed to a 7-1 victory over the Detroit Tigers to remain 1½ games afield.

Reynolds permitted only three hits in posting his 19th victory but

## Youngsville Scores Two Touchdowns In Fourth; Corry Wins

What happened to Corry in Warren did not repeat itself on the Feavers' home field Friday night, when they romped over the Youngsville High Eagles, 51-19.

Bud McChesney was the only Eagle to make a showing against the higher classed Corry outfit, scoring two of the touchdowns and passing to LeTrent for the third.

Hodie McLean was the spark on the Corry eleven, tallying for three TD's and going for two of the extra points.

In the first quarter Corry took the kickoff and marched to the goal and McLean took a 30-yard aerial for the second tally. Then crossed over again on the first play of the second period. Following a pass interception, McLean grabbed another long toss for the fourth score.

Youngsville's turn came when McChesney clinaxed a sustained drive from the 33 and Corry led 24-6. But before the half ended Jim Coates jaunted over to make it 31-6.

The Kamusmen fumbled in the opening of the last half and McLean got his hands on a third long pass for the sixth Beaver TD, and Douglas ran over after a 57-yard drive to rack the score even higher.

The Eagles tallied twice in the final frame with McChesney going over first and then LeTrent taking his pass for the payoff. Sorenson interrupted Youngsville's scoring with an end run for a score.

## Sets Catalina Mark, Then Attends Party

Santa Monica, Calif. (P)—Amazing Florence Chadwick snatched five hours sleep after conquering the 21-mile Catalina Channel in record time, then awoke to announce plans to swim the Dardanelles and the Strait of Gibraltar.

Miss Chadwick, who staggered ashore yesterday morning at Rocky Point Vicente on the mainland, 13 hours, 47 minutes and 52 seconds after plunging into the ocean at Catalina Island, appeared at a party last night. Friends expressed amazement at her ability to recover from the fatiguing ordeal.

She had become the first woman to swim the channel. Her time is faster than the previous official record of 15 hours, 48 minutes set 25 years ago, by George Young of Canada. Byron Summers of Los Angeles swam it in 13 hours, 35 minutes that same year. But no official AAU time clocked him.

## Hagerstown Wins in Governor Cup Race

By The Associated Press  
The Hagerstown Braves, dominating entry in the five-month 1952 Interstate League race, closed out the campaign by winning their first Governor's Cup playoff in history.

On their seventh try the Braves won the playoffs with a 4-0 decision yesterday over the Lancaster Red Roses. The victory, gained chiefly on three Lancaster fielding errors in one inning, gave the best of seven game final playoff series to the Marylanders, 4-2.

The Braves led the league practically throughout the season and finished six games in front of Allentown. Lancaster, number four in the final standings, eliminated Allentown in the first playoff series.

## Wormy and Grubby Fish Encountered At Season's Height

At the height of the bass and panfish season, some fishermen probably will encounter wormy or grubby fish. The most common form reported in Pennsylvania waters is the small "yellow grub," which encysts in the flesh or beneath the skin of fishes and frogs, and often causes wart-like bumps or protuberances.

Others that may be encountered in fish include the "larval red roundworm," a small, thread-like worm found in the flesh; small white grubs in the liver and soft tissues, small black grubs just under the skin, and leeches attached to the external surfaces, such as the fins.

According to the Pennsylvania Fish Commission, there is probably no danger of any of these worms infesting human beings—even if some should be swallowed alive. Thorough cooking makes them absolutely safe. While there is a natural prejudice against eating them, it is actually a waste to throw them away.

This condition is encountered in wild lakes and streams over a wide area, including Canada, and the condition is not in any way connected with pollution.

Grub parasites in fish certainly are not new, for they were described a hundred years ago and no doubt were present when the white settlers first set foot on American soil. Concludes the information supplied by the Fisheries Research Laboratory of the Pennsylvania Fish Commission.

Scientists who have dated the last ice age in the world through the use of radio-active carbon, believe it occurred about 11,000 years ago and not 20,000 to 25,000 years ago as previously believed.

of Jim Tridico's passes, evaded three defensesmen, and scampered 42 yards. Taking the ball on the 11, Shea cracked center for six yards to the five. An offside penalty shoved the ball to the one, where the Dragons received a first down. And lucky they did, for it took four downs before Shea took the pigskin and plowed over center for the score. Bubba Johnson kicked the placement.

Another fumble on the part of Franklin was picked up by Cummings on his own 30 and was returned to the Franklin 42. This recovery also stopped another scare sparked by two 20-yard advances by Brown.

## Y. M. C. A. Installs A Television Set

As one of the items of an increased program for men at the YMCA this season the television in the boys' department of the "Y" will be available for senior members and their friends for the important telecasts of political speeches by the presidential candidates, and also election night returns. This plan will in no way interfere with the television enjoyment by the boys themselves as these speeches are usually scheduled at a time after the boys' department has closed up for the evening, i. e., at 9 P. M. Men members are also invited to enjoy the telecasts of boxing matches, which usually come on the screen at 10 P. M. Wednesday and Friday evenings. World Series games will also be telecast, but space is available in the boys' lobby to watch these games only as it does not interfere with the boys' members use of the lobby at that time in the afternoon.

The above matter was one of the many items in an enlarged program of service to the men members of the YMCA which was discussed at the regular meeting of the Board of Directors of the "Y" late last week. This busy session of the Board was chaired by Donald H. Mowell, president of the Association, and was attended by the following directors: Roy L. Blodgett, Harold S. Hampson, S. Knox Harper, Francis Hetrick, Myron E. Jewell, Charles G. Koebley, Henry Lanman, Hilmar A. Roos, Alan Templeton, Robert R. Young and Dan K. Walton.

### FACES ELECTRIC CHAIR

Mercer (P)—John Martin, 35-year-old Farrell steelworker, faces the electric chair for the Aug. 16 wife slaying of his wife of two months. A jury returned a verdict of first degree murder. It was the first murder conviction in Mercer County in 14 years. The juror did not recommend mercy, sentencing the death penalty, mandatory.

## Five Accidents on County Highways Over Weekend

(From Page One) because of the heavy traffic near Wilder Field. His car was struck in the rear by Thompson, whose car was in turn hit by Johnson. Damage was estimated at \$500 to Johnson, \$75 to Thompson, and \$1000 to Kunes. Another three-way collision resulted in only minor damage and no injuries at 5:15 p. m. Sunday on Route 6 about three-fourths of a mile west of Warren. Cars operated by Raymond Blum, of Clarendon, Charles Hudson, Jr., 108 Jefferson avenue, and Charles J. D'Angelo, 114 Carver street, were all headed east with D'Angelo in the lead. Police said he stopped and the other two hit bang-bang in the rear. Damage was estimated at \$50.

Still another three-pley collision occurred at 7:30 p. m. Sunday on Route 62 at North Warren. Mrs. Virginia Reynolds and Roger Reynolds both of 512 West Fifth avenue, suffered many bruises but were not hospitalized. They were passengers in a car operated by Gerald Reynolds same address, which was involved with cars operated by Dean White and Melvin Huffman, both of Warren State Hospital. Police said that Huffman was pulling into the highway from a service station. Reynolds was going south on Route 62 and White, going north, attempted a left turn into the service station in front of the Reynolds car. White told police he did not see Reynolds approaching, and all three met at the same spot.

Charles Alfred Leave, 106 Park street, died at Warren General Hospital at 9:25 a. m. Saturday, aged 51 years. Mr. Leave was born in Smoland, Sweden, on October 10, 1870, and had been a resident of this community for the past 32 years. He was a retired refineryman, having been employed by the United Refining Company. Surviving are one son, Herbert R. Leave, of Warren, also with grandchildren, one great-grandson, and a brother, Knute Leave, in Sweden. His wife preceded him in death in 1929.

Removal has been made to the Peterson Funeral Home, where friends are being received at the regular calling hours and where services will be held at 2:00 p. m. Tuesday. Interment will be made in Oakland cemetery.

### DR. F. S. McKNIGHT

Dr. F. S. McKnight, 65, for nine years pastor of the P. M. S. Methodist Church of Franklin and a retired superintendent of the Brookville district, died at 12:30 a. m. Friday in Hanot hospital, Erie.

Dr. McKnight served as minister of the Franklin church from 1889 to 1948 when he was elected district superintendent.

He was stricken ill with a virus infection on October, 1950, and since then has been in failing health. Last June he resigned as Brookville district superintendent because of his health.

Dr. McKnight had been a patient in the Erie Hospital for about a month. In recent years, he had made his home in Chedwell on Lake Chautauque.

He had served pastorates in Townville, Pleasantville, Erie, Westfield and Franklin. He was ordained as an elder in 1922 by Bishop Burt.

### JOHN ALBERT CARLSON

John Albert Carlson, born in Sweden July 22, 1871, of 34 Dunham street, Sheffield, passed away the Warren General Hospital Saturday evening after an illness of three weeks. A retired employee of the Central Pennsylvania Lumber Co., he was considered an expert lumber piler. He was preceded in death by his wife Tilda in 1951. A son Everett H., of Sheffield, is the only survivor. Services will be held from the Borden Funeral Home in Sheffield Tuesday afternoon at two o'clock, with the Rev. Hans Pearson officiating. Interment will be in the Sheffield cemetery.

**CITY CRIMES CREEP UPWARD**—Crimes of violence took the lead in America's cities during the first six months of 1952, according to the semi-annual report of the Federal Bureau of Investigation. Robbery topped the list with assault, murder, burglary and manslaughter not far behind. Only exception was crimes involving rape. They dropped below the number recorded for the corresponding period of 1951. The total number of crimes in cities was 6.4% higher than last year.

## UNITED LUTHERAN BROTHERHOOD ELECTS

Butler (P)—Walter C. Koehler of Pittsburgh will serve another year as president of the Brotherhood of the United Lutheran Church's Pittsburgh Synod.

About 300 delegates to the Brotherhood's annual convention also reelected J. Russell Burley, Beaver, vice president; Edward H. Peterson, Penn. Township, secretary; and Clarence J. Conrad Sr., Rochester, treasurer.

The group elected the Rev. Robert H. Armstrong, of Pittsburgh, William Pfister, Erie, and H. Wesley Henry, Jeannette, to three-year terms as members-at-large on the executive board.

Plans were announced at the weekend convention for Youth Rallies to be held in each of the Synod's six conferences.

## COUPLE FACES TRIAL FOR FRAUD IN RELIEF

When arraigned this morning before Justice of the Peace Tracy Greenlund on a charge of fraudulently obtaining relief money from the state, Mr. and Mrs. Reavie Lawson of Youngsville, were bound over to county court.

Complainant in the case was Charles C. Briggs, local investigator for the Pennsylvania Department of Public Assistance, who charged that when the couple applied for assistance, Mr. Lawson being ill and unemployed, they did not include in their statement the fact that a son, Donald 19, was a member of the household and employed Clara for \$1,400 is made, the entire amount given in assistance from Aug. 24, 1951, until it was discontinued last May 2.

Mr. and Mrs. Lawson have been free under \$500 bail each since they entered a plea of not guilty, when arraigned last week.

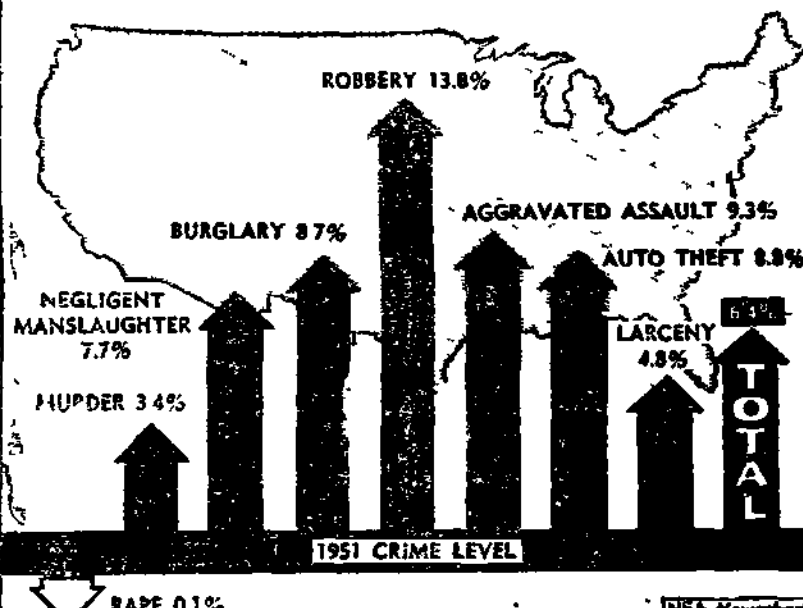

## EMPLOYEE INVENTIONS ARE ON INCREASE

Pittsburgh (P)—Output of employee inventions is up to 80 per cent due to an invention award plan Westinghouse Electric Corp. reported today.

The company paid \$93,000 in the first seven months of 1952 for inventions with potential commercial value. A worker who submits an invention or idea believed patentable is paid \$25. If the company files a patent on his invention, the worker gets \$50 more. An additional \$50 goes to the inventor whose idea is judged best in each group of 50 patents.

**NATION'S CRIME RISES**—A million-plus crimes committed between January and June of 1952 pushed percentage increases of crimes to 6.4% more than those committed during the first six months of 1951 as seen in the above new chart. Data are from the semi-annual report of the Federal Bureau of Investigation. Greatest increase was in crimes such as auto stealing and robbery where something of value was stolen. Only decrease was in rape. FBI experts predict that by the end of 1952 more than two million crimes will have been recorded.

### CHIEF ACCUSED

Pittsburgh (P)—A Board of Civil Service Commissioners told the purges of nearby Coraopolis over the weekend that affidavits and testimony do not warrant a public hearing in the case of Police Chief John J. Brush, accused by two councilmen of "accepting hush money from gamblers."

### AT CONVENTION

Clifford Betts, president of the Warren Kiwanis Club, accompanied by Mrs. Betts, is attending the state convention of the organization at Scranton this week.

It is estimated that two out of five school children are handicapped by inadequate, but almost always correctable, eyesight.

**STRANGE**, isn't it, that a lot of people won't walk a few blocks to the polls to guard their freedom, when others are fighting for it? Yet, that's the case.

## HALF THE PEOPLE ELIGIBLE TO VOTE DIDN'T CARE ENOUGH TO VOTE IN THE 1948 PRESIDENTIAL ELECTION

And the past 82nd Congress was voted in—to guide your destiny and that of 155,000,000 Americans—by only 43.7% of the eligible voters.

WHO DECIDES what kind of taxes you'll pay, what kind of schools your youngsters will attend, how safe a community you'll live in? YO DO—but only if you vote.

WHAT GOOD'S ONE VOTE? Getting good government is the biggest job in the world. One vote can't do it; but one vote multiplied by a million CAN. The only vote you can count on, though, is—your own.

## Progress Is Being Made on Control Of Bangs Disease Here

Corry Journal: Seventeen down and six to go is the way proponents of the Bang's Disease control program read the score in nearby Warren County.

An interpretation of this shows more than 90 per cent of the dairy farmers in 17 townships have registered to participate in the plan while those advocating the program have not been able to sign up the required percentage in the other six counties.

As one dairyman expressed it, "The six counties which haven't been signed up yet are those with the largest number of dairy farmers."

Two of the strongholds of the anti-Bang's control, are known to be nearby Spring Creek and Freehold townships.

Admitting that the program is moving slowly, those actively pushing the program state that the mobile unit to be used in the "ring test" will not be available until fall.

Through the test, whereby a sample of milk is taken from an entire herd, it is possible to tell if some of the cows are infected. However, it's only through a blood test that the individual cows can be found and this can be done only by a veterinarian.

Even after the ring tests can be made, it is expected to be a long slow process before the affected cows can be removed from a herd because of the shortage of veterinarians.

## Pennsylvania Week Plans Are Shaping Up Satisfactorily

Ralph E. Sires, Warren county chairman for Pennsylvania Week observance, in announcing plans for meeting on October 2, at four o'clock in the small court room of the court house says plans for the celebration this year are exceeding fondest expectations. The main program will include the following:

October 11—Homecoming day.  
October 12—Religious observance in Warren county churches.  
October 13 and 14—Industrial Fair in Beatty gym.  
October 15—BIE Day Visitation and banquet at YWCA.  
October 16—Formal opening and open house of the Lexington avenue plant of Sylvania Corporation.

In addition to these the Warren Camera Club is preparing a program of colored slides on "small industries in Warren county."

Visitation of industrial plants by school children is being scheduled by Gurney R. Ball of the Pennsylvania Department of Labor and Industry.

Special observance in Warren borough schools is being conducted in a great many cases as projects and will carry its own theme in these respects.

The Warren County Motor Club will cooperate by means of a window display at AAA headquarters in the Conservatory Building.

Fourteen men have died on the upper slopes of Mt. Everest and many on lower trails trying to climb the mountain, says the National Geographic Society.

The full membership of Pack 13, North Warren Cub Scouts, visited the Warren Post Office Friday afternoon, as part of their program for the monthly theme, "Carrying The Mail". They were guests of Postmaster Knabenshue and his staff, who explained to the Scouts the intricacies of handling the mail. Accompanying the Scouts were four Den Mothers and two Den Chiefs, all of whom expressed great interest in the tour. Altogether, the visiting Pack consisted of 39 persons.

This tour was part of the North Warren Cubs' preparation for their monthly Pack meeting, which will be held Monday, September 29, at the Community House. It is expected that the exhibits which the boys prepare for that meeting will be based in part on the experiences and information they gained from the Friday tour.

## Ancient Sovereignty Must Be Yielded by European Nations In Move Toward Final Unity

By JAMES MARLOW

Washington (AP)—If six men exchanged their blood with one another in a multiple transfusion, each of them trying to reclaim his own red corpuscles again.

Six European nations—France, Italy, West Germany, Belgium, The Netherlands and Luxembourg—are trying to give one another a transfusion by moving toward a unity and pooling of interests from which they can't disentangle themselves.

It is a triple unity and pooling toward which they're heading: economic, military and political. After their long and bloody history this is a quiet but astonishing revolution which in the end, of course, may not succeed.

The steps they have taken, and are considering, require each of the six to yield some of its ancient sovereignty.

If what they are doing succeeds it may lead some day to a United States of Europe and include other nations.

Here, briefly, is what has been done:

Economic unity: They have made most progress in this field. The six have approved treaties pooling their coal and steel resources, an arrange-

ment called the Schuman plan, named for France's foreign minister who proposed it several years ago.

Military unity: Five of the six are members of the North Atlantic Treaty Organization, which also includes the United States, Britain, Canada and others. West Germany is not an NATO member.

The six are forming their own organization called the European Defense Community, linked with NATO. This is an arrangement by which these six will pool their military resources and defenses.

EDC will come into existence when the six governments have approved their EDC treaties, may be by the end of the year.

Political! The six last week set up machinery to propose plans for their federation, or further unification, which would involve pooling not only their defenses but foreign affairs, trade and finance problems. They set March 10 as the deadline for pooling their plans.

According to the state police of the Clarion barracks, the operator of the car was Mrs. Ingrid Handeyside of Sheffield. The accident was believed to have been caused by the slippery condition of the highway one-half mile from the intersection of Route 322 and Route 68. The Handeyside car, a 1951 sedan, was damaged to the extent of \$1,700.

## WESTPORT LANDING

By  
Homer Hatten

Chapter 28  
WESTPORT and Sally were less than ten miles away when Clay swung the men and wagon off the trail. It was no part of his plan to ride dramatically into Westport with fifty thousand dollars in cash and attempt to explain its source. Instead, he had decided to encamp the party a few miles off the trail on Indian Creek, where they were unlikely to be observed, while he rode in to Sally's cabin to reconnoiter.

It was well after dark by the time they were settled, and he drew Lopez apart for a word of caution before he left.

"You and Miguel had better take turn and turn about on guard duty all I get back," he suggested. "I think the men are all right, but we don't want to take any chances this late in the game."

Lopez nodded. "You will be back tonight."

"Last night. Probably along toward morning. If everything is all right we will rest here tomorrow and take the wagon in tomorrow night."

Now that the long trail was behind him he began to feel an overwhelming impatience to see Sally again. There had been times on the trail, especially during the tense period in the Jornada, when he had not thought of her for days at a time. And he had lost her image, more completely than he cared to admit, while he had been in Santa Fe.

He centered out into a clearing and suddenly there in the moonlight was Sally's cabin, a light glowing from its windows—a promise and a realization and a fulfillment. Swiftly he swung down from the saddle, tethered Kentucky to the split-rail fence, and approached the house on silent, stealthy feet.

She was sitting beside a table, and as he watched her through the open window he could see that she was busily engaged with a mass of papers and account books.

Chapter 29  
IT was growing lighter now, and as Clay turned back toward the camp he saw Lopez' body half hidden in the underbrush with the head beaten into a bloody, almost unrecognizable mass. By now the five renegades were far out on the prairie, moving as fast as the wagon would travel, with an alert rear guard of desperate, dangerous men.

Even if he caught them, found them by some miracle out there on the endless stretches of the prairie, he would be outnumbered five to one, outnumbered by men who were well aware that once he was dead there was no one else on earth with any interest whatever in hunting them down, or visiting retribution upon them.

He lifted his hand in a gesture of salute and farewell.

"Adios, amigos," he said softly. "I'll see to it that you have a few of your old friends to go with you."

He touched Kentucky with the spurs and rode out of the clearing, his face a grim mask of anger, his gun loose in its holster.

It was almost sundown when he found them. They had made good time and avoided the trail, but at Timber River there was no ford except the one where the main trail struck the river, and they were obliged to rejoin the trail before they could cross.

Evidently they were in trouble, for across the stillness of the prairie he could hear the snapping of whips and the sharp cracking of Spanish profanity.

He dropped Kentucky's reins to the ground and made his way snakelike, to the crest of the hill. Half hidden in the long grass, he surveyed the scene before him.

The wagon was mired down in the center of the river, halfway across the ford. Antonio was standing waist deep in the water, the long lash of his whip snapping and crackling above the plunging, straining wagon mules.

to the spot where Clay lay hidden, and at the breakneck pace José and Manuel were riding it could only be a matter of seconds until they were upon him. Practically he dumped unmeasured powder into the muzzle, spat a ball down the barrel, and rapped the butt of the gun on the ground.

He was almost down when he fired. Manuel was out of the water and almost halfway up the hill when he fired. Manuel reeled as the heavy ball caught him in the chest, clutched at the saddle horn for support, and then senseless, slumped sideways in the saddle. His hands relaxed their grip and he fell to the ground, but his left foot was entangled in the stirrup. Frantic with fear, the mule bolted away across the prairie, Manuel's head and shoulders banging against the ground.

José was over the crest of the hill now, his rifle ready in his hand as his eyes searched the slope. Suddenly he spied Clay, half crouching in the grass, and threw the rifle to his shoulder. In the same instant Clay jerked the pistol from its holster and fired, not at José, but at the larger, more certain target of the galloping mule. His bullet struck just as José fired. The mule stumbled to its knees and in an instant José had been catapulted over its head as the ball from his rifle struck the ground a half-dozen feet to Clay's left.

But José was like a cat. He lit in a tight ball, rolled over twice, and was on his feet again. He had lost his rifle when he fell and he wore no pistol but he jerked a shining, long-bladed knife from his belt and charged Clay like a wounded catamount.

Clay dropped his pistol back into its holster. After all, it was no time to waste bullets when for all he knew Felipe might be charging up the hill. Instead, he picked up the empty rifle that lay beside him, holding it by the end of the barrel so that its stock was a heavy, six-foot club.

(To be continued)
